Speaker Spotlight:

Rachel Kessler

Tuesday
October 13th

6pm-8pm

2 Hours of Set 2

LEC Credit

Session Topic:
Art to Promote Youth
Voice

This hands on training gives afterschool facilitators tools for sharing empowering art with school age youth. We will explore activities aligned with national art standards. We will find flexible ways to use a variety of materials, create an inclusive atmosphere for youth, explore youth voice, and offer youth skills for interacting positively in groups. Example curriculum will be provided.
