Speaker Spotlight:

Kahae Rikeman

Wednesday
October 14th
1pm-3pm
2 Hours of Set 1
UGB Pending

Session Topic:
Responding to Adi's Act:
Suicide Prevention,
Intervention and
Postvention Policy Step by
Step

COVID-19 has changed the landscape for suicide prevention in Oregon. Additionally, Adi's Act requires that schools in Oregon have a suicide prevention, intervention and postvention plan. This workshop will help participants prioritize suicide prevention planning through Lines for Life's Suicide Prevention and Wellness Program, identify additional Oregon resources and better understand ways to connect with students and their families.
