This hands on training gives afterschool facilitators tools for sharing empowering art with school age youth. We will explore activities aligned with national art standards. We will find flexible ways to use a variety of materials, create an inclusive atmosphere for youth, explore youth voice, and offer youth skills for interacting positively in groups. Example curriculum will be provided.

Speaker Spotlight:
Rachel Kessler

Tuesday
October 20th
10am-12pm
2 Hours of Set 2
